How to buy RedHat exam voucher from TCC website?

First, enter "<https://www.tcc-consulting.com.hk/listcourses/>" in the URL bar or Scan QR Code to go following TCC website.

01. Please select the exam voucher you need to buy, and press "see more".

02. For those who need to register TCC account, please press "Register an Account".

03. If you already have our account, please login your account to proceed with payment.

* After payment, please let us know your Red Hat ID & Name by email, and after You will receive the exam voucher within 5 days.

The collage consists of several overlapping screenshots from the TCC Consulting website:

- Top Right:** A screenshot of the 'Master Class' page, featuring a navigation bar with 'HOME', 'ABOUT', 'SERVICES', 'BLOG', 'TRAINING', 'MASTER CLASS', 'CONTACT US', and 'MY ACCOUNT'. Below the header, there is a 'See more...' button.
- Center:** A screenshot of the 'Exam Voucher (Red Hat Related) (28)' list. It displays three Red Hat exam vouchers: [EX447 EXAM Voucher] - Red Hat Certified Specialist in Advanced Automation: Ansible Best Practices EX447; [EX425 EXAM Voucher] - Red Hat Certified Specialist in Containers and OpenShift Container Platform EX425; and [EX407 EXAM Voucher] - Retired - Red Hat Certified Specialist in Ansible Automation. A red hat icon is overlaid on this section. A callout '01' points to the 'See more...' buttons.
- Bottom Left:** A screenshot of the payment page for the [EX447 EXAM Voucher]. It shows the amount 'HK\$3,200.00' and a '用金融卡支付' (Pay with Credit Card) section with fields for card number, expiry date, and CVC. A callout '03' points to the payment amount.
- Bottom Right:** A screenshot of the 'Login' and 'Register' page. It has a 'Login' section with fields for 'Username or Email Address' and 'Password', and a 'Register' section with a 'Register an Account' button. A callout '02' points to the 'Login' button.

Register RedHat account

05.
Please press "**Log in**" on the Red Hat website.

06.
For those who need to register RedHatID,
please press "**Register now**".

* If you already have a RedHat account and
bought an exam voucher, please **go to P.6**
to proceed to the next step.

The image displays two screenshots of the Red Hat website. The top screenshot, labeled '05', shows the 'RED HAT CERTIFICATION Individual exams' page. A blue arrow points from the text 'Please press "Log in"' to the 'Log in' button in the top right corner of the page. A speech bubble with a person icon and the text 'Log in' is positioned above the button. The bottom screenshot, labeled '06', shows the 'Log in to your Red Hat account' page. A blue arrow points from the text 'please press "Register now"' to the 'Register now' button in a red box. Another red box with the text 'Register now' is also present in the top right corner of the page. The page content includes a table with links for 'Customer Portal', 'User management', 'Red Hat Connect for Business Partners', and 'Certification Central'. Below the table, there is a section titled 'actual IT tasks just as you will on the job.' and a paragraph about remote testing options. A red laptop icon is visible in the bottom right corner of the page.

Register RedHat account

07.

Please Fill in the required information according to the instructions on the website to register a new account.

REDHAT.COM CUSTOMER PORTAL

Red Hat

Create a Red Hat Login

A Red Hat account gives you access to product evaluations, purchasing capabilities and knowledge management content. Red Hat will use the personal data collected below, such as your contact information and account information, to create and administer your Red Hat account. We use the personal data to identify and authenticate you, fulfill your requests and to provide you with information, support and customer service. For more information, please see [Red Hat's Privacy Statement](#).

*** Indicates Required Field**

*** Account Type**

- Corporate** A corporate Red Hat account allows a set of users to centrally purchase or administer systems within a corporate organization (system administrators, purchasing agents, IT management, etc.)
- Personal** A personal Red Hat account is for purchasing or administering your own personal systems.

Need access to an account? If your company has an existing Red Hat account, your organization administrator can [grant you access](#). If you have questions, [contact customer service](#).

Login Information

*** Create a Red Hat Login:**

Your login is a user ID for accessing your account across all Red Hat sites. It must be at least five characters and cannot be changed once created.

Login RedHat account and register exam voucher

Please enter "<https://rhtapps.redhat.com/individualexamscheduler/#/AdmExceptionCalendar>" in the URL bar or Scan QR to go following Red Hat Exam Scheduler website.

- 08.
- Please enter your username(also is your RedHat ID), and press "**Next Step**".
 - Please enter your password, and press "**Log In**".
 - Please press "**exam voucher**" on this page.

Change exam location & date

10. Finally, You can select "**Exam Scheduled**" at the top left to review or change the exam date and time.

The screenshot displays the Red Hat exam management interface. On the left, a dark sidebar contains a menu with the following items: Exams to Schedule, Exams Scheduled, Exams Taken, Exams Expired, and All Exams. The 'Exams Scheduled' item is highlighted, and a callout bubble with the number '10' points to it. The main content area is divided into two columns. The left column features a calendar for November 2020, with the 20th selected. The right column displays the details for the selected exam, including location information and options to update personal information and reschedule.
